Richard MAGDO

Consultant CPO / security Consultant/security manager
Annecy, Auvergne-Rhône-Alpes, France

Résumé

I was trained as an operator in the French Special Forces, more specifically in an infiltration unit. I have gained a great deal of experience internationally for both Oil & Gas Companies and private individuals, often in very degraded and precarious environments. Throughout my career, I have had the opportunity to work alone or within a team. I have great adaptability to work alone or within a team. I have a great adaptability to workin cosmopolitan environments. I am able to work as team leader and quickly develop my management skills. I am highly motivated, hard-working and versatile.
